RAMCOM TRUCKS AND LOAD BODIES (PTY) LTD

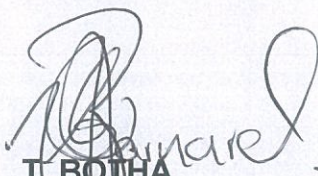

I am writing this letter to you as a recommendation for the services provided by Ramcom Trucks and Load Bodies. For the past few years George Fire Department worked hand in hand with Ramcom Trucks to assist us with numerous services including the and not limited to the following:

1. Manufacture of our Main Major Pumper
2. Manufacture of our Iveco Euro Cargo Tanker pumper
3. Total refurbishment of our Scania Major Pumper
4. Repairs to accident damages and refurbish our Mercedes Benz Medium pumper
5. General service and Maintenance on our fleet

I would like to recommend that you consider using Ramcom Trucks as your preferred service provider. I have had a good experience with them over the past few years with both Manufacturing and after sales services they have rendered to us. I therefore strongly recommend their services.

Let me know if you need any additional queries regarding Ramcom Trucks.

Yours truly
