## To Whom it may Concern

### **Subject: Letter of recommendation**

I am happy to recommend the services of Ramcom Trucks and Load-bodies. We are currently very impressed with the service they provide, we have also found their pricing very reasonable compared to other service providers.

Ramcom Trucks supplied us a new Medium Pumper last year and we are very satisfied with the end product. They are also very helpful with our technical queries and are quick to respond to any issues we may have.

I strongly recommend that Ramcom Trucks be considered as your service provider.

Should you have any queries, please do not hesitate to contact me.

Kind regards.
